

85% FEWER WARRANTY CALLS

Indmar engines get 85% fewer warranty calls compared to when WakeCraft used PCM engines.

ULTRA-LOW EMISSION RATINGS

All Indmar engines achieve ultra-low emission ratings from California Air Resources Board (CARB), the strictest emission standards in North America.

100 YEARS

Indmar & WakeCraft brings teen decades of marine experience to the table, including numeros of victories.

EXCLUSIVE FOR WAKECRAFT

INDMAR: custom built exclusively for WakeCraft. Each is precision tuned for the exact WakeCraft model.

INDMAR: built with off the shelf parts, installed stock in numerous brands.

MOST POWERFUL

The Indmar 7.4L is the most powerful naturally aspirated engine in a towboat.

MORE HORSEPOWER

The Indmar 6.0L and 6.2L both offer more horsepower than the PCM at a comparable size. PCM's 6.2L 390 V8 is nearly beaten in torque and horsepower by the smallest Indmar 5.7L V8.

MOST RELIABILITY

The Indmar 5.7L provides industry-leading horsepower at its block size and the most reliability in any marine engine ever built.

18% LOWER RPM SPEED

Under surf conditions, WakeCraft boats operate at up to a 18% lower RPM speed. This means better fuel efficiency and less engine wear and tear.

67% MORE FUEL EFFICIENT

Under surf conditions, WakeCraft boats are up to 67% more fuel efficient than Ski Nautique boats.

\$2625 IN SAVINGS

Because Indmar engines are up to 67% more fuel efficient than PCM engines when set up for surfing, that translates into a savings of \$2625 per 100 hours on the water.

LESS CARBON MONOXIDE

The largest recreational Ilmor marine engine releases less carbon monoxide than the smallest Indmar block.

95.8% CLEANER

Under surf conditions WakeCraft boats release up to 95.8% less carbon monoxide than comparable Malibu, Axis Nautique boats.

5 STEPS VS. 11 STEPS

WAKECRAFT ZRwake and ZR8 Surf System requires 3 steps to surf.

AXIS A22 with Surf Gate requires 11 steps to surf.

38% MORE WAVE ENERGY

The BLADE Surf System creates up to 38% more wave energy (measured in rider push) than Surf Gate on Malibu and Axis boats.

OUTPERFORMED SURF GATE

The WakeCraft's BLADE outperformed Surf Gate on every Malibu model in every boat size class.
